

The Lise Howe Group Presents
7003 Brookville Road, Chevy Chase, MD

What is rarer than a perfect day in June? As precious as a baby's first smile? A newer home in Chevy Chase! This Arts and Crafts home is flooded with light and offers lots of room for today's modern family. Imagine life's celebrations in the elegant living room and separate formal dining room - anniversary dinners, baby showers, prom parties! The sunny family room adjoining the kitchen and breakfast room looks out on a glorious terrace and provides that much needed room to spread out at the end of a long day of work. As you create a great meal in the spacious kitchen, you are never far from the rest of the family and friends who gather in the garden around the barbecue grill or relax in front of the wood burning fireplace. Sip a lemonade in a swing on the wrap porch! The second floor provides an exquisite master suite with home office, and two additional bedrooms. If you are looking for a get away space, the third floor has it with another bedroom, bath and sitting room! The lower level offers even more get-away space with room to play or work out and an au pair or in law suite! This house will be your family home for generations to come!
